CIRCULAR ECONOMY

ARE YOU LOOKING FOR INSPIRATION? LOOK HERE

HOW COULD YOU IMPLEMENT IT?

BASIC APPROACH

Find an available space, gather a group of volunteers, and create an event on social media (you can make posters and put them around the neighborhood).

CREATIVE APPROACH

Create a program to teach young people basic bike maintenance.

MAIN STEPS

Find an available space in your town

Find volunteers who have good skills in repairing bicycles/ tell everyone to bring their own tools to avoid unnecessary shopping

Advertise the event

Stakeholders

Authorities/
Organisations

Local citizens

Local citizens

Local organisations

Local citizens

Local citizens

Find an available space in your town or offer your skills and ideas to local community center or schools

Prepare for the course and get the tools needed to repair the bicycles

Advertise the event
