

Save&Game

Let's unite and take action to save our planet, preserve its beauty, and ensure a sustainable future.

What can you expect?

A training guide for youth workers on sustainability

3 Escape Games inspired by sustainability

10 action sheets and examples of good practices

Find out more on our website:

How aware are young people that by “thinking globally and acting locally”, they can make a difference?

How many young people know how to implement sustainable behaviours in their daily lives?

Save&Game goal?

- Raising awareness among young people of environmental challenges
- Demonstrating through play the value of co-responsibility
- Promoting scientific citizenship and green skills through gamification
